Information about pick up points

We operate from the art studio at Como Primary School, children from years 1-7 meet our staff at the classroom. Pre-primary and Kindy children are collected from their classroom. Please let your child's teacher know that they are being collected by Jellybeans. If your child does not arrive at the classroom by 3.10, staff will contact the class teacher and school office to determine if the child is absent. Parents will be contacted if the child cannot be located.

Our Routine during term time:

We use the toilets adjacent to the undercover area. Children are accompanied to and from the toilet. We use the playground area in front of the office; on Labouchere Rd. Children using this will be accompanied by an adult. Children may play on the veranda or grassed area in front of our room, in sight at all times.
