Only Our Best

COMO PRIMARY SCHOOL

Bless our school, long may it stand.
While we’re together, we’ll stand hand in hand.
We’ll strive for the highest in every way.
Respecting our motto all through the day.
Only our best in every way
In sports, fairness, work and play.
In our behaviour we’ll all play the game
Our flag and our motto will not stand in vain.
We try very hard and enjoy working well.
Only our best; In this we excel.
Friendship and fairness we will retain.
Our flag and our motto shall not stand in vain.

BUSINESS PLAN 2015-2017

Created in collaboration with and approved by Como Primary School Board and staff. The Business Plan forms part of a suite of documents including the Operational Plan, Workforce Plan, Financial Plan and the Delivery Performance Agreement.
Welcome to Como Primary School

Inspired to learn and empowered to excel: We are an inclusive community where all are valued. We strive for social and academic excellence where every child is supported to reach their full potential as independent life long learners.

Como Primary is an inner suburban school situated near the Swan River. It was opened in 1916.

The school is a traditional U-shaped brick and tile building and is fully air-conditioned. The grounds have been pleasantly landscaped, with grassed areas, gardens and shady trees. There are ten classrooms plus a music and art room, a library, a purpose built Kindergarten and Pre-Primary building, an undercover area (that houses the canteen) and a multi-purpose room used for EAL/D support lessons, as well as a uniform shop. An old hall sits on the eastern boundary of the school which is used for school assemblies and by the community. A small building has been converted into a before and after school care facility.

Como PS parents are very supportive of the school. The School Board and an active P&C Association undertake activities such as: running the uniform shop, school canteen, fundraising and providing support across the school. Local businesses and past students are also most supportive of our school.

The students at Como Primary School have a positive attitude to school, they are confident, articulate and self-motivated. Student behaviour is generally very good. Our ‘Whole of School’ Behaviour Management Policy places the onus on students who misbehave to ‘own their behaviour’. This, together with an active anti-bullying policy and a strong Virtues and Values program, makes Como a safe, caring and positive place in which to learn.

Our staff consists of both beginning and experienced teachers who are working together to provide our students with the best possible education for the 21st Century. School administrators are very positive and fully support the staff in planning, delivering and implementing the Western Australian Curriculum.

Technology is progressive with classroom computers being available for class use and supported by the availability of iPads. Both our senior classrooms have adopted a bring your own device approach and iPads are used on a daily basis. Each classroom also has between three and seven computers while the Library/Resource Centre has a further twenty computers, all of which are networked.

Special Programs available at Como Primary School include: Perceptual Motor Program, LOTE French Years 2-6, PEAC, School Virtues Program, School Buddy program and a Robotics program. The Arts are well catered for with both a Visual Arts and a Music specialist teacher. Both our Junior and Senior choirs perform with distinction at various venues. Year 5 and 6 students have the opportunity to learn clarinet or a brass instrument.

School student leadership is encouraged with prefects, school captains and other school student leaders performing important roles in the everyday life of our school.

Our motto is ‘Only Our Best’ and this is well reflected in all areas of school life at Como Primary School.
Excellence in Teaching and Learning
Teachers provide vibrant learning opportunities where students are fully engaged and able to reach their potential.
