Dear Parents,
As this is the final newsletter for Semester 1 it is important to reflect on what a terrific and industrious year we have enjoyed so far! From working diligently within the classroom, to the many extra-curricular activities on offer; children and staff alike have been very busy and enjoying their time at Como Primary School. Our school has grown slightly this year in terms of student population, but more so in our standing and reputation within the Como community. This is in large part due to the wonderful sense of community Como Primary School offers to all families. Adding to this wonderful culture our staff continue to work hard to ensure learning experiences are targeted at point of need, and that all students are receiving the best possible education across a range of learning areas.

Our school ranked within the top 20 Primary Schools in WA in 2015 (please see link below), our continual endeavour to provide a quality, balanced education from Kindergarten to Year 6 is ongoing.

I would like to wish the entire school community a restful and safe holiday and I will look forward to seeing you all again at the commencement of Term 4 this year. While I am away on Long Service Leave I will be handing over the principal’s job into the very capable hands of Mrs Herne.

Honour Certificates
Congratulations to the following students who were presented with Honour Certificates at our last assembly.

| Ronan T | Sofea B | Yun Ooi |
| Charlie P | Oskar O | Maryam E |
| Ludovica P | Rannia S | Charlie S |
| Mike B | Alissa C | Bryce H |

Apologies to Hannah H whose name was missed last week.

Interschool Football Carnival
Congratulations to all the boys who competed in the Interschool football competition at Manning Primary School. Como played five other schools during the day. The boys played with determination and wonderful sportsmanship throughout the carnival. Como came third overall and second in the Meritorious Shield.

Assembly
Tomorrow’s very short Prefect assembly will again be held at 2.35pm in our school hall. Our first assembly back in Term 3 will revert to the regular time of 8.50am and be run by our Prefects.

Centenary News

Did you Know?
Mrs Pam Taplin (nee Stewart) remembers some of what it was like to be a student during the war years- “Dog Tags (or identification discs) issued during the war years were to be worn around the neck at all times. Air raid drills – when the air raid alert sounded we would stop what we were doing and calmly march to our allotted trench. These drills were conducted at weird and wonderful times, regardless of the weather. We treated the whole experience as a welcome break from school work or a great inconvenience if it had been raining and the trenches had water in them. All this was regarded as a bit of diverting fun to us. Not for one moment did we realise the seriousness of the situation, even though I guess the majority of the children had family and relations in the Forces.”

Virtues

Understanding

Signs of Success
Congratulations! Your are practising Understanding when you:

- Concentrate and pay close attention
- Reflect on the meaning of things
- See the whole picture
- Resist distractions
- Put yourself in other people’s shoes
- Forgive others and yourself when you make mistakes
WALKING SCHOOL BUS!!
Please join us tomorrow, Friday at the following points and paths. Parents are able to drop their children off at the following times and intersections, and our Walking School Bus will be there to pick them up. Please make sure you can see the Walking School Bus before leaving your child at the stop. Our parent volunteers will then walk with them to Como.

**South Bound**
We will start at 8.15am: Gardner Street + Coode Street Intersection.
The bus will leave at 8.20am: Coode Street + Comer Street Intersection.
The bus will leave at 8.25am: Coode Street + Preston Street Intersection.

**North Bound**
8.10am: Parents can drop their children off at the corner of Henley Street and Canning Highway near Cafeli’s Café (there is a safe no through road with less traffic). The bus will then walk to the intersection of Robert Street and Henley Street.
8.15am: Robert Street + Cale Street Intersection.
8.20am: Robert Street + Saunders Street Intersection.
8.22am: Saunders Street + Labouchere Road Intersection.
8.25am: Labouchere Road + Greenock Avenue Intersection.

Join us tomorrow for a healthy and fun way to get to school and reduce the number of cars driving to and from Como! We will be looking for the class with the most walkers this week for a special prize! If any parents would like to get involved and volunteer a Friday morning, please email Sam Edwards samantha.edwards@education.wa.edu.au ANY HELP IS GREATLY APPRECIATED!!

**Applications for enrolling students for 2017**
If your child is starting Kindergarten or re enrolling for Como Pre-Primary or High School next year, or if they’re changing schools, please make sure you submit your application for enrolment by **Friday, 22nd July 2016**. Please remember that school holidays are from Monday 4th July to Monday 18th July. If possible, apply for a place at school by the end of term (tomorrow). When there are more applications than places available in Kindergarten the following selection criteria will apply:

**Shoes and Shorts for Cambodia**
Thanks to everyone who has donated to this cause. They now have plenty so no more donations are needed this year. Your response has been wonderful and I’m sure the shoes and shorts will be welcomed and well used. *Mrs Stals*

---

**Term Two ends tomorrow at 3.05 pm**
Students return to school on Tuesday 19th July.

---

**School Banking News**
School Banking program Account Opening Day. We will be holding an Account Opening Day at our school:
**Date: 29th July Friday, next term.**
If you are interested in opening a Commonwealth Bank Youthsaver account for your child please bring along your current driver’s licence or another form of photographic identification. Alternatively, you can open an account at your local branch. All you need to bring is your current personal identification as well as your child’s birth certificate.
If you are an existing Commonwealth Bank customer and have NetBank, you can open an account for your child online. I look forward to seeing you all tomorrow at 8.15 outside the uniform shop. *Lydia H*

**Como Cookout News**
Thank you for supporting our service this term. We look forward to offering some exciting specials and fun competitions in Term Three!
The Canteen and Swimming Lessons:
A reminder that due to lesson scheduling, the following order restrictions apply.
- Recess: Hot recess items unavailable to PP2, Room 7 and Room 8.
- Lunch: Hot lunch orders unavailable to Room 2, Room 10 and Room 11. (Sandwiches; Sushi on Fridays).

Thank you in advance for your cooperation.
With kind thanks to our most recent helpers: Tess Harris, Chantelle Ranauro, Ingrid Meyer, Chandi Rae, Steph Sofield and Leanne Pool.
The National Celebrate Canteen Week is from 8 - 12 August, 2016. We are running a colouring competition, with entries available at the office and canteen. Please return them to the canteen by Friday, 22nd July.
The Canteen Committee meeting is tomorrow, 1st July at 1.30pm. All are welcome!

**Kindergarten**

Time flies when you are busy participating in our kindergarten program! Where has the term gone? The Kindy staff and children have been working hard, and with great enthusiasm, to enjoy a term full of fun learning activities. Term 2 started off with a bright, active and engaging colour unit. The children enjoyed mixing colours and looking at different colours and shades. They were actively involved in a variety of fun, hands on experiences.

Miss Nesci, a student teacher from Curtin University, joined us this term. The children's interests led Miss Nesci on an adventure in The Land of Dinosaurs! The children have loved being involved in a variety of fun, hands on dinosaur experiences. The theme was planned sequentially, so the children began with learning about the land long ago, extinction, different types of dinosaurs, fossils, the dinosaur life cycle, and ended with imagining what it would be like if the dinosaurs came back. They also created their own salt dough dinosaur masterpieces. The children used their incredible imaginations as many of the experiences relied upon their creativity in the visual arts learning area. It has been a great Term 2 in Kindy and we look forward to Term 3. We wish everyone a very safe and enjoyable holiday break. *Kindergarten Learning Team*

**Pre Primary One and Two**

Who would ever have imagined that we could do so much in just one term? Here is a snapshot of what’s been happening inside and outside the Pre Primary classes. Most importantly we have been very busy in our Literacy and Numeracy sessions. We are all having a go at writing familiar and key sounds in our writing, taking home our very own reading books to read to our parents and participating in guided reading tasks twice a week. In Maths we are beginning to experiment with adding numbers together, grouping objects into sets and small collections and recognising numbers to 20. We have made comparisons between the past and present in Humanities and studied photos of the development of our very own ELC playground. Some of us found it hard to believe that in the olden days we couldn’t walk around with a phone in our pocket and couldn’t Skype our friends who lived far away. Earlier in the term we had a wonderful afternoon with our very special Mothers who spent the afternoon being pampered in the classroom. In late May, we also hosted and invited our parents to support our inaugural Biggest Morning Tea fundraiser in support of the Cancer Council of WA. We have been extremely fortunate to have had three incursions this term. Both the First Aid and Nurse Sherri’s interactive session from AWCH (Association for the Welfare of Children in Hospitals) were well received by all the children. We even were able to dress up and role play doctors and nurses in our makeshift Pre Primary hospitals. The term has drawn to a close with a vibrant and entertaining visit by African Beat and the children’s first introduction to school swimming lessons. They have definitely demonstrated their independence and confidence in participating in the swimming programme. The Pre Primary children are ready for a restful holiday.

**Room 7 Year Three**

There has been lots of exciting learning happening in Room 7. We started the term by beginning a new Science topic, The Earth, the Moon and the Sun. We have been learning about day and night, phases of the moon and shadows through the day. Each student recorded the moon every night for 28 days to learn about the moon phases. We also got to write a report on a planet of our choice by researching the planets discovery, its physical features and the missions to the planet. In History we have been studying aboriginal culture, including the language groups, dreamtime stories, aboriginal food, musical instruments and artwork. We are creating a class book of our research using the book creator app on the iPad. Everyone trained very hard for the cross country and lots of us were able to beat our personal best times. Most of all we have really enjoyed buddy time with the Kindy classes and are being very responsible big buddies.
Room 8 Year Three
What an exciting and busy term we have had. In week 3 our class sat the NAPLAN tests. The students all worked very hard in the lead up. They were not as scary as we thought! After NAPLAN was out of the way we started to get back into our normal routine. In writing, we have been learning about information reports. We each chose a planet to study and have been researching and creating posters. In maths we have been exploring multiplication and division. We have also been recording data and creating different bar graphs. During History, our class has been looking at the different aboriginal language groups which are found in WA as well as reading dreamtime stories and creating story maps. The morning reading program has been going extremely well and a big shout out to all the parents who volunteer. You are amazing! The last two weeks have been very busy with swimming lessons. We are also starting to practise for our assembly item which will be in Week 3 next term. What an amazing, busy, happy, exciting and lovely Term 2! We hope you all have an amazing break.

Room 9 Year Four
This term we have read the novel “Iron Man” by Ted Hughes. It starts superbly with a clanking iron giant toppling from a cliff and lying smashed on the rocks below. Then his various parts get up and search for each other. It is one of the greatest modern fairy tales. We have made mini robots, tangrams, written a newspaper report about it, poems and we are going to compose a sketch and make our own Iron Man Movie. We have completed investigations on “The Convicts” of the First Fleet in the settlement of Australia. We are now completing an investigation on Australian Explorers learning about their famous expeditions, the hardships they encountered and how the explorer is remembered today. In art we are making robots, and we have completed our self-portraits. We are colourful and amazing and very attractive too. We have started preparing for the Rio Olympics by completing Sporting tangrams of the events. Science has been great fun discovering the properties of magnets, making our own magnets and next is constructing a Magnet Game. We are currently doing swimming so we will be looking forward to a great holiday to relax!

Room 5 Year Two
Hi Everyone. Once again it has been a very busy second term. We have been working very hard on all our subject areas and we hope we get a good report! We have had two exciting and fun assemblies to prepare for. Our Centenary assembly focussed on the decade 1965 - 1975. We watched TV in black and white and then we saw it change into colour in 1975. We had lots of News Flashes! Our class also hosted our class assembly too and we all had an important role to play. We were fantastic and we loved performing it. The incursion “African Beat” was also a big hit. It was a very vibrant and fun incursion and we enjoyed participating in it. The last two weeks of this term we have been swimming. We have been trying hard not to feel cold!! We think we will need the two week holiday to recover. We welcome Mrs Bodycoat for Terms 3 and 4 while Mrs Willis goes on Long Service Leave. We will miss her but we do hope she has a fun and relaxing time. Mrs Knuckey will also be going on leave. We hope she can relax and enjoy her time and we may see her pop back in to visit us. Enjoy the holidays everyone and take care.

From the Class of Room 5, Mrs Willis and Mrs Stals.

Room 11 Year One
Room 11 has been busy this semester in Literacy and Numeracy and has done a wonderful job upholding the school motto, "Only Our Best". We have been reading different narratives and fairy tales and rewriting these stories in different first person perspectives – like the story of Cinderella from the Prince’s point of view and The Three Billy Goats Gruff through the eyes of the troll! We have also written expositions to persuade people to change their opinions on characters like the Big, Good Wolf! In numeracy we have continued to build a strong foundation and understanding of number. We have worked hard on developing our mental math skills, fluency and automacy to solve addition and subtraction problems quickly! We have been exploring multiplication and division through a wide range of hands on, fun activities in Room 11!
**Room 4 Year Five/Six**
What an exciting, eventful term for Room 4! Along with the Prefects and Room 3 we organised the school Market Day which was super fun. We can’t wait to see what the Prefects decide to buy for the school. In reading, we finished Boy Overboard and learnt about a different reading strategy each week such as predicting and visualising. It was fascinating learning about Jamal’s journey to Australia as an asylum seeker and the different experiences he faced in Afghanistan and on the way to Australia. During week 5 we went on an excursion to the Art Gallery and the WA Museum to see the History of the World in 100 Objects visiting exhibition from the British Museum. We enjoyed being able to wander around the exhibits ourselves and see all the wonderful objects all the way from prehistoric times to the future! Many of us liked the tiny golden Llama object and the silver Samurai sword display. After the excursion we all learnt about recounts and wrote our own recount of the day. Everyone presented a speech for the Speak with Confidence Competition to the classroom and some people had the opportunity to be selected to present their speech to Mrs Herne. We all reflected on how we presented our speeches and the year 5s got lots of tips for next year! We have taken part in swimming lessons, inter-school soccer, netball and AFL competitions and did our best in the school cross-country! This term we have had Miss Fernandez joining our class on her final year. This term we have had Miss Fernandez joining our class on her final year prac and next term we are looking forward to Miss Martino teaching us again! Enjoy the holidays!

**Room 1 Year One**
Wow! Term Two has flown by so quickly. In science we have been learning about materials and how they change. We conducted an experiment with Freddo Frog and even though at first he looked the same, when we touched him he changed and felt squishy, squooshy, melty, soggy and soft.

We built ice structures to see what would occur to them over time. We were surprised and excited when some of our ice was still there the next morning and took more than 30 hours to melt completely.

Scitech visited our school and all the Year One children joined together to learn about the properties of bubbles. Bubbles can be huge, powerful, strong and beautiful. We even got to explore and experiment using Scitech’s bubble equipment.

We had a wonderful time during our History Activity Afternoon. We discovered how much fun olden days toys could be and even enjoyed washing clothes with soap and a wash board. Happy holidays everyone.

**Room 2 Year One**
This term started with us practising hard and putting the finishing polish on our Centenary Assembly item. We were very excited and nervous to be the first performance of the show, highlighting the decade 1916 – 1925. Then we enjoyed watching all the performances from the rest of the school. It was hard to believe how much things had changed over 100 years for Como Primary!

Once back to the usual day to day routine, we learnt many things about Autumn and animals. We decorated our classroom with colourful autumn leaves and pictures. On the leaves we wrote autumn acrostics. In maths we produced pictographs indicating which days animals are fed at the zoo in the big book ‘What Did You Eat Today?’

In Science we explored materials and observed how they change when heated or frozen. We constructed an ice pyramid with the students from Room 1 and closely observed the changes. The pyramid lasted all day and all night. How surprised we were to see a baby seal emerge from the ice as it melted!

We loved watching popcorn burst when heated and it tasted yummy!

…………..Continued
Room 2 continued
To top it off, we had visitors from Scitech who amazed and delighted us by blowing bubbles inside bubbles. In history, we went back in time to the olden days. We dressed up and played a variety of games that children born 100 years ago would have enjoyed. We also did some chores. Our favourites were scrubbing clothes on a washboard and ironing them with a heavy, flat iron. We wrote on slates with chalk and read ‘Fluff and Nip’ reading books.
We are becoming very proficient with the iPads and computers, working on creating Popplets, taking photos and continuing to use Mathletics and Reading Eggs. In fact, our teachers are very proud of the way we work hard to improve our skills in all learning areas.
During the final week, Mrs Geers showed us some tiny grey eggs. We took photos of them and can’t wait to discover what emerges from those smooth little lumps, clustered on the cardboard. Some of us have an idea but we’ll have to wait until after the holidays to find out if we’re right! We have all worked very hard this term and now it’s time to enjoy a break with our friends and families.

Room 3 Year 5/6
Term Two has certainly taken its toll on an exhausted Room 3! What a busy time it has been. Our Year 5s were stellar workers, cramming and studying for the NAPLAN in Week 3. Meanwhile, the Year 6s showed patience and responsibility as they happily worked during that time in the Hall on the Phillip Pendal awards. This proved to be an extremely successful time as we had many finalists in the competition and one of our very own Room 3ers took out the top prize! Later in the term, we enjoyed a fun, exciting and very informative excursion to the Art Gallery of WA and the WA Museum. You may have seen some of our famous Room 3 celebrities gracing the front page of the West Australian and on the news - helping open the new Art Gallery robot tour guide. As swimming lessons have progressed so has our Olympic spirit! We worked with Room 4 to conduct our own Mini Olympics during our last week of school. It was so much fun but we are definitely ready for our holidays!

COMO PRIMARY SCHOOL ELECTION FUNDRAISER
A huge thank you to everyone who has volunteered their time to assist with this fundraiser. If you are available and would like to assist on Saturday 2nd July there are still time slots available. Cake boxes will be available from outside the canteen this Wednesday and we will be collecting cakes in the canteen FRIDAY afternoon from 3pm and also at the school on the morning of the election. Please get baking! So many generous Como families have donated items to assist with this fundraiser; your fantastic support is much appreciated. We are still in need of donations of soft drink cans and 5L of full cream milk. If you are able to assist please contact Kellie (0419907429) or Emma (0408316116).

LOOK OUT FOR THE COMO P&C STALLS AT THE ELECTION.
We will be selling:
- Gourmet Bacon and Egg Rolls with Tomato Relish $5
- Hot Dogs with Onions $3
- Warm Vanilla Custard $2
- Hot Chocolates $2
- Water $2
- Soft Drinks $3
- Lots of delicious cakes, slices, biscuits and muffins

In conjunction with The Rotary Club of Mill Point we will also be holding our annual Money Trail with all proceeds going towards a Robotics Program at Como PS.

### CHESS CLUB Term 3

The chess club meets in the art room at lunch time on Mondays. The club will welcome new members in term 3. Chess will recommence in term 3 on the second Monday back at school. I look forward to seeing the current and new members next term. Please put form and payment $80 or $70 each if more than 1 child, *(cheques made payable to Mr L South)* in envelope marked chess club with child’s name. Payment to be handed in to the office please and handed in before the first club day. (The cost is based on an 8 week term, with weeks 9/10 free of charge but those two weeks will also cover any sick days etc that I or students may need to take.) Thank you for your ongoing support. Leo South, Ph 0431881281. Email jacksouth@iinet.net.au

School Holiday Program
City of South Perth & Skateboarding WA will be hosting a free all ages skateboarding clinic at Manning Skate Park.
Date: Saturday 18th June
Time: 11:00am - 1:00pm
Location: Manning Skate Park, behind the George Burnett Leisure Centre in Karawara.
Cost: FREE
Skateboards, safety gear and helmets are all provided. This clinic is for all ages and all skill levels are welcome. For more information, a registration form or to see a clinic video visit: [www.skateboardingwa.com.au](http://www.skateboardingwa.com.au)

School Holiday Sports Clinic
The George Burnett Leisure Centre is once again running a school holiday program! The program offers a wide variety of sporting activities to encourage physical activity, participation and healthy lifestyles for kids! Three sports will be played each day and these include AFL, cricket, basketball, hockey, soccer and tabloid games. With activities for all ages up to 10 years old, participants and their parents will be sure to enjoy this fully supervised fun-filled program.
Ages: 5 - 7 years Monday 4th & Tuesday 5th July
Ages: 8 - 10 years Wed 6th & Thurs 7th July
Time: 9.00am - 12.00pm
Cost: $30 for 2 days
For more information or to register your child please contact the George Burnett Leisure Centre on (08) 9474 0855.

Come and Try - Bush Inventor for the Day!
Looking for something different to do this school holidays? Come join a team of kids to build a cubby of sticks, rope and fabric under the trees in George Burnett Park in Karawara. See how strong and elaborate you can make your stick hut and how many kids can fit inside. Nature play workers from Educated by Nature will be on hand with materials and knot tying skills to help you along the way.
Date: Monday 11th July 2016
Time: 9.30am - 11.00am
Ages: 6 - 12 years
Cost: $5 per child or $10 per family
Free for concession card holders who are local residents. Please note concession card will need to be sighted before enrolment.
For more information or to register your child please contact George Burnett Leisure Centre on (08) 9474 0855

Waterford Plaza Shopping Centre is running a Junior Handball Competition during the school holidays on Wednesday 13th July from 2.30pm to 3.30pm, for both boys & girls, aged 2-15, with prizes to be won. The event will feature appearances from West Coast Eagles and Fremantle Dockers stars who will sign autographs and pose for photos!

---
